

Contakt Consulting will help you get more return from your (ICT-) investments. We will optimise the organisation, processes, systems and the resourcing of human capital. We will translate your requirements and business targets into technology and employees. We divide our knowledge into **expertise** and **branches**.

Expertise:

You want to improve your organisation. Together with us that will be done in a structured manner. We will support you in:

- Selecting solutions
- Projects
- Information- and Datamanagement
- Business ICT Alignment

Branches

We know your market. You can build on our knowledge of processes, developments and players in the following branches:

- Retail
- Media
- Finance
- Corporate
- Other

Cases

Clients frequently tell us that they are satisfied with our services. We are proud that they allow us to show you their cases.

How do we help you?

We preferably do this as a project, with a clear beginning and end goal. Pragmatic, starting with a strong analysis, followed by a practical plan of action.

Our team

Our team consists of experts, all with quality standards, all used to working in organisations with sometimes complex and challenging issues. With only one aim: how will it benefit you?

Why Contakt Consulting?

Contakt Consulting advises and shapes the changes and improvements in your organisation. We offer services of high quality, with people who stand out by their expertise and personal capabilities.

Four reasons to choose Contakt Consulting:

- We set expectations and often exceed them
- We meet our agreements
- We are familiar with the latest developments and offer a high quality
- We base our working ethic on transparency, integrity, trust and mutual respect

Clients on us

Contakt Consulting is proud of its cooperation with its clients. We are even more proud that our clients are satisfied about our services. On www.contakt.nl/cases you will find a selection of our clients and you can read (in Dutch) what they say about us.
